OFFICE OF LEGISLATIVE COUNSEL

Wednesday - 4 October 1978

25X1 1. [REDACTED] LIAISON Took a call from Paul O'Connell, on the staff of the Morgan-Schmitt Senate Select Committee on Ethics Subcommittee. He asked about the Subcommittee's additional questions on the SSCI oil study leak which had been sent to us on Friday, 29 September. I told O'Connell that I was attempting to have the proper component deal with the questions as quickly as possible, but that a problem was presented by the fact that the Agency officer best equipped to answer two of the key questions was now [REDACTED]

I suggested to O'Connell that the Subcommittee might find it worthwhile to contact this individual directly in order to explore his recollection of the events in question. 25X1

25X1 2. [REDACTED] THIRD AGENCY Took a call from Major Bob Kimmet, National Security Council staff, who said that there would be a meeting at the White House on Thursday, 5 October, at 10:30 a.m., to discuss Executive Branch relations with the Senate Foreign Relations Subcommittee on International Operations in connection with its investigation of foreign intelligence activities in the U.S. [REDACTED] OGC, and I will attend. 25X1

25X1 4. [REDACTED] LIAISON Norvill Jones, Chief of Staff, Senate Foreign Relations Committee, called advising that he would be accompanying the Representative Abraham A. Ribicoff (D., Conn.) delegation on their trip to the USSR following the election and would appreciate appropriate classified and unclassified material.

Also, I sent him six extra copies of the publication entitled "The Soviet Economy in 1976-77 and Outlook for 1978", which he said the Committee was very interested in.

25X1 ✓ 21. [REDACTED] LIAISON Received a call from Susan, Administrative Assistant to Representative Richard H. Ichord (D., Mo.), who said the Congressman has a friend who is a journalist who would like to talk to someone at the Agency regarding Agency reaction to the [REDACTED] case. 25X1 I gave her the number of the Public Affairs Office.

25X1 22. [REDACTED] LIAISON Received a call from [REDACTED] private citizen, who had been referred to this office by Angelo Codevilla, on the staff of the Senate Select Committee on Intelligence. [REDACTED] was concerned about the microwave and shortwave materials being targeted at his mind and body. It took me about twenty minutes to convince [REDACTED] that there was nothing that the CIA could do for him in this regard -- much as we might sympathize with him for the pain that he was undoubtedly experiencing. 25X1

25X1 23. [REDACTED] LIAISON Hans Binnendijk and Norm Clyne, Senate Foreign Relations Committee staff, and Bruce Van Voorst of Senator Richard Clark's (D., Iowa) staff, visited Headquarters for a briefing on European arms export industries and a related rundown on the arms export situation in the Soviet Union, [REDACTED] 25X1 [REDACTED] The briefing was in preparation for a trip Mr. Binnendijk will be making after Congress adjourns. 25X1

He had no difficulty with the program.
